

COMBINE THE UNCOMBINABLE

DYNAMO strings for violin: Perform like you never have before.

What is so special about our DYNAMO® string line?

The strings in our DYNAMO® sets combine qualities you can't usually find together:

- ✓ They offer a broad sound **AND** an excellent response.
- ✓ They have a wide dynamic range **AND** you can modulate sound colors all along to their full extent.
- ✓ They sound great on old **AND** on new instruments.
- ✓ Their sound will blow away the musician **AND** the audience.

In addition to our sets for violin (NO.DY100) and viola (NO.DY200), alternative violin strings are now also available: the tin-plated E-string NO.DY01S and the silver-wound G-string NO.DY04B – so you can tweak your sound a bit if you need to. Also new: DYNAMO® violin strings in two fractional size sets for $\frac{1}{2}$ and $\frac{3}{4}$.
