PETER INFELD® STRINGS FOR DOUBLE BASS

- ✓ Centered tonal core, strong in the mid-frequencies
- ✓ Easy to bow, plenty of growl and sustain
- ✓ Substantial sound colors that are easy to control
- ✓ Extremely reliable

HOW OUR PETER INFELD® BASS STRINGS HELP YOU SOUND YOUR BEST

Our PETER INFELD® strings for double bass make you shine in many different ways. The strings are very reliable and have a remarkably powerful sound in the mids, with a centered tonal core. They boast a substantial amount of sound colors that remain controllable for you as a player at all times. Based on our legendary spiral core, we have developed these strings with a new combination of materials to achieve their outstanding properties: for jazz bassists they offer growl and sustain while being easily bowable and providing powerful projection for the orchestra player. Their extraordinary projection lets you all shine.
